Our school initiatives are on track to meet or exceed our targets

During 2018, we focused on maximising the benefits of this funding for our students. After reviewing our 2018 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Ensuring Reading is the Explicit Improvement Agenda of the College.
- Enhance and track Student Attendance throughout the College
- Enhance vertical and horizontal alignment of curriculum through Year Level Coordinators
- Enhance the leadership capacity of the College by providing quality PD focused on leadership.
- Implementing the explicit teaching framework and providing all staff with quality PD
- Enhance the STEM resources in the College to make this a school of excellence.
- Purchase resources to support a BYOD program in the Secondary School.
- Employee teacher aides from prep to Year 10 to support the reading agenda in the College.
- Fully implement Classroom Profiling across the College.
