WOODCREST ACADEMY SPORTS PROGRAM (WASP)

Volleyball Academy
GENERAL INFORMATION
The purpose of the Woodcrest Volleyball Academy is to strengthen both individual and team skills within the sport of volleyball. The Academy is designed to make every individual a better athlete and in turn bring these improved skills to their team. The objective of the program is to create direct links with sporting clubs and associations that will help promote volleyball at Woodcrest. Woodcrest Volleyball Academy athletes will feed into the team dynamics at all these clubs and associations and where possible Woodcrest sports teams will play in outside club competitions.

The programs’ aim is to develop selected players that can add to the dynamics of the teams at Woodcrest. These players will also represent Woodcrest at District, Regional, State and National level.

SCHOOL PROGRAM
The Volleyball Academy provides students with the opportunity to gain practical experience in volleyball and develop the fundamental skills of the game. Students will have access to recognised accredited volleyball coaches and teachers who will also provide feedback and insight to developing the ability of each and every participant.

The program itself will offer opportunity for students to:
• Participate in competitions throughout the local area and region.
• Students within the program will receive first choice in sporting teams playing in key competitions (such as the QLD Schools Cup Volleyball competition and Metro League Tournament)
• Be provided with opportunities to be scouted by Volleyball Queensland regional and state representative personal.

The Academy offers:
• Qualified Coaching Staff
• Training Clinics with Shontai Pene - local long term coaching identity who has coached many of the local Best Juniors players
• Representative teams enter QLD Schools Cup and Metro League competitions
• School based competitions (Yagera District)
• Nutrition and Diet advice
ENTRY INTO THE PROGRAM
Students wishing to enter into the Volleyball Academy must demonstrate the following:

- Be prepared to reach their full potential with dedication and hard work
- Indication of volleyball skill and ability
- Ability to work with others in pursuit of volleyball excellence
- Willingness to study other academic subjects within Woodcrest State College
- Proven exemplary record of attitude, industry and behavior within the school environment
- Demonstrate a desire to do well with their academic subjects

ATTITUDE IS EVERYTHING
We will celebrate victories, large or small, team or personal. Imparted with a positive, upbeat approach.

- Be someone fellow team mates like being around
- Players must believe that with hard work goals will be achieved
- There must be a dedication to the cause, a belief in the system and a commitment to the team
- There is pride in representing our school within the basketball academy.
- All students are expected to exhibit sportsmanship
- Respect of others and be of good character

SELECTION CRITERIA
Acceptance into Woodcrests’ Volleyball Academy program is dependent upon the student’s ability but also the willingness to participate within the program. The aim of the Volleyball Academy is to provide a high standard of skill development to strengthen individual athletes and teams whilst maintaining Woodcrest State College as a force in Queensland school sport.

With our 2 indoor stadiums, the support from Volleyball Queensland, Woodcrest State College provides students with overwhelming opportunities to succeed within the game of volleyball.
FEES
While there is no direct cost for your son/daughter to take part in the program, there will be costs associated with the different competitions and tournaments held throughout the year. This will cover items such as nomination fees, insurance and transport.

APPLICATION PROCESS
Please complete an Expression of Interest for your son/daughter and return to Woodcrest State College Secondary Administration.
