# STUDENT DRESS CODE

The Woodcrest State College community has chosen to adopt a Dress Code consisting of:

- A Woodcrest Branded full dress standard; and
- Items of clothing that comprise a school uniform for students that applies when:
  - attending and representing the school;
  - travelling to and from school; and
  - engaging in school activities outside of school hours

The School Dress Code has purpose

- **Our Dress Code contributes to a safe and supportive teaching and learning environment through:**
  - ready identification of students and non-students at school;
  - fostering a sense of belonging;
  - developing mutual respect among students by minimising visible evidence of economic or social differences; and
  - creating an understanding of what is expected when a student completes school.
- **Our Dress Code reflects our school community ethos of:**
  - bringing divergent groups and individuals together as one identity;
  - aspiring to excellence: the underlying approach for success at school;
  - a means for each and every student to have a strong sense of pride and belonging regardless of social or economic difference that a dress standard conveys; and
  - acknowledging that sufficient opportunity arises in social contexts outside of school where personal and individual preferences can be exercised.
