

Investing for Success

Under this agreement for 2022
Woodcrest State College will receive

\$784,883*

This funding will be used to

Enhance the Instructional Core through:

- Delivering Quality Teaching in every class every day.
- Building a culture of high performance.
- Attracting, developing and retaining a professional team of staff.
- Developing and aligning learning from Prep to Pathways.
- Creating an environment that embraces creativity and innovation.

Our initiatives include

Quality Teaching	Embed the RESPECT pedagogical framework and quality assure it through observation, feedback and support.
Culture	Enact the school values in all aspects of the College.
People	Build the capacity of all staff by providing quality professional experiences and development.
Alignment	Ensure the vertical and horizontal alignment and development of curriculum throughout the College.
Ingenuity	Raise the level of content to enhance student engagement in all learning.
